Nature Of Opinion

Docket Number: E-01345A-16-0036

Docket Position: Against

Dear Commissioner Burns, As an APS ratepayer and Youngtown Resident, I strongly object to the APS recommendation for Mandatory Demand Charges. Dear Commissioners, My wife and I are in our 80s, on a fixed income, we can ill afford a high electric bill. Our home is 100% electric, so for instance when my wife prepares supper on the stove, the washing machine is running and the A/C comes on, this creates a spike in kilowatt usage that the whole month is charged for. That is outrageous! We are already using a clothes line for drying our clothes. Please vote against Mandatory Demand Charges. Respectfully submitted, Manfred Jacke
